

# 25th Anniversary Celebration

JOIN THE UMASS LOWELL LABOR EDUCATION PROGRAM FOR A 25-YEAR ANNIVERSARY CELEBRATION OF OUR PROGRAM'S WORK ON CAMPUS AND IN THE LABOR COMMUNITY IN THE MERRIMACK VALLEY AND NORTHEAST MASSACHUSETTS.

## 25 YEARS OF LABOR EDUCATION FROM LOWELL TO LYNN

The UMass Lowell Labor Education Program will host a 25-year anniversary celebration on Thursday, May 30, 2019 at UTEC in Lowell from 5:30-8:00 (35 Warren St, Lowell, MA 01852).

This event will honor the history of the program from its founding by Charley Richardson. We will also honor current director Susan Winning, as we wish her the best upon her retirement this summer. Our program will connect the deep labor history of Lowell with the work the program has done and continues to do in the Merrimack Valley and North Shore communities.

The Labor Education Program is an educational program based at UMass Lowell providing training, education and strategic planning support to workers, unions and other community-based organizations.
